

High Street Safer Neighbourhood Team

## Ward Panel Agenda

7pm Wednesday 10<sup>th</sup> February 2016 – Mall Offices

### Guidelines:

- Listen carefully without interruption
- Give way to the chair
- We continually aim to improve what we do and are open to new ideas.

### Volunteer to take minutes?

### Apologies:

- Frances Shoesmith
- Jeff Fernandez
- Clare Coghill
- **Bob Wheatley**

*"I think sometimes the best plaudits for a politician come from their political foes and not always their political friends. I disagreed with Bob on plenty of things; regardless of that he had my full respect.*

*As an activist, he was a heavy weight political opponent. He always fought hard, did what he thought was right and always shook your hand after a vigorous debate - no matter how hard the struggle for what each believed was best for our area.*

*I don't think I can pay him a greater compliment than that.*

*And politics aside, anyone who served aboard merchant sea vessels in the Second World War is a hero in my eyes.*

*I cannot believe he's gone, really. I go past his house and still expect to see him, have a chat, talk casework and politics and what needs to be improved.*

*He will be very much missed." (Clare Coghill)*
